

"Project Brazil"

This corner lot is the recent piece of property that Pastor Leandro and his congregation in Frederico Westphalen is hoping to purchase for their new church building. The first plot of land had been sold before we finished our campaign to raise money to help them. He is very excited about this particular location since it is close to their downtown and is in a residential area. Below is the letter he sent when he found out that we were sending them \$26,000 toward the \$30,000 cost of the land:

"Dear Bethel,

We became very excited about the excellent news of the 26 thousand dollars. Thank you once again for everything that you are doing for us. However, I will try to get hold the plot of land. I will talk with the proprietor and see what can be done. But, we trust in God that all will happen according His purpose.

The Board of Mission of IELB offered to anticipate this amount.

The building next to the plot of land is a garage. I didn't ask to anybody about the construction, but I think, as it seems, that the next floors will be apartments for the owners of the garage. In front there is a small market (it doesn't appear in the pictures).

And the other constructions are residences.

Any news I will let you know.

Blessings.

Greetings,

Pastor Leandro"

Thank you to everyone who has contributed both financially and in prayer for this project. Any money that has been donated above the cost of the land will be seed money for the building project. *Please continue to faithfully pray for Pastor Leandro, his congregations and all of the people of Brazil to be open to Great News of the Gospel.*

<u>"Project Brazil" Totals</u>	
Brazil Church	\$4,300
Bethel	\$29,549
Matching Funds	<u>\$10,000</u>
Total	\$43,849

You may continue to contribute to "Project Brazil" and the donations will be used toward their building project. Please mark envelope as "Project Brazil"
